2. January is the _____ of the year.
3. Which is the twelfth month of the year?
4. Which is the seventh month of the year?
5. February is the _____ of the year.

Let's learn reading and writing dates.

Remember there are two ways of writing dates.

1. The short date, for example, 19/01.
2. The long date, written as the nineteenth of January.

When saying dates you have to add **th**, **st**, **nd** and **rd** to the numbers.

For example:

Writing	Reading
01 – April	The first of April.
15 – June	The fifteenth of June.
19 – September	The nineteenth of September.

Activity 7

Practise reading the dates below in groups.

1. 21/07
2. 03 – May
3. 12 – December

Exercise 4

Write the following dates.

1. The tenth of August.
2. The second of March.
3. Twenty-ninth October.
4. Thirty-first of January.
5. Twenty-sixth December.

Activity 8

Which years are shown below?

2015 1972 2020 1879

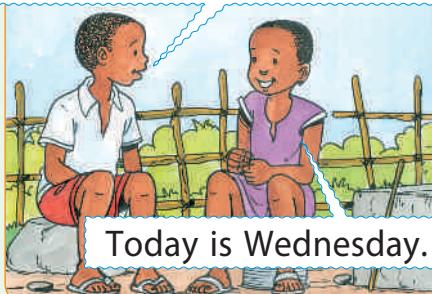

Remember:

We don't read years the way we read normal numbers. We read the first two numbers together and then we read the last two numbers together.

For example:

We read 2015 as twenty fifteen.

What is the day today?

Today is Wednesday.

What is the date today?

It is the first of March, 2018.

Exercise 5

Match the years in numbers to the years in words.

- | | |
|---------|--------------------------|
| 1. 1869 | a) Fifteen fifty five |
| 2. 2018 | b) Twenty twenty-one |
| 3. 1979 | c) Eighteen sixty-nine |
| 4. 1555 | d) Twenty eighteen |
| 5. 2021 | e) Nineteen seventy nine |
